GLUEDEVIL HAND CLEANER GRIT is a lanolin based hand cleaner with coarse grit particles and **HAND CLEANER GEL** is a lanolin based hand cleaner with fine particles which are both effective in cleaning the toughest grime and grease from hands that ordinary soaps cannot remove. Our paraffin-free formula will not cause drying or irritation to normal skin. The lanolin offers good hand protection and moisturises.

HAND CLEANER GRIT is a pink coloured paste.
HAND CLEANER GEL is a white coloured paste.

APPLICATION:

Place a small amount of the product onto your hands, rub well into hands, then wipe off, or rinse with water. For very dirty hands use more of the product.
