PACK SIZES:	0.8mm x 12mm x 1m Blister - 12 Per Box 0.8mm x 18mm x 1m Blister - 12 Per Box

GLUEDEVIL AUTO TAPE is a strong, double-sided adhesive tape for quick and easy mounting in and around the car. It is weather and water resistant with a good resistance to solvents. So come rain, sunshine or carwash, this tape holds up.

APPLICATIONS

GlueDevil AUTO TAPE is perfect for basic vehicle maintenance, such as mounting number plates, badges, beading, just to name a few. Holds on a variety of smooth surfaces like metal, glass, fibreglass and most plastics.

HINTS

- Avoid touching adhesive with fingers during application - this decreases holding strength.
- On smooth surfaces 15cm of tape holds up to 2kg. Objects thicker than 10mm will need more.
- Apply strips vertically for strongest shear strength when mounting on smooth surfaces e.g. number plates.

PACK SIZE

- 0.8mm x 12mm x 1m blister - 50-TAPE6326
- 0.8mm x 18mm x 1m blister - 50-TAPE6320
